Section E Article 19 Government Property

Reference: a) [redacted]tr. dated 17 December 1965 - SPT Special Test Equipment 25X1

Gentlemen:

[redacted] 25X1
Special Test Equipment under subject Task Order, which is classified has acquired as Government Property under Article 19, Section E of the above Basic Agreement.

Arrangements are being made to prepare an inventory list of Government property that is scheduled for submission on or about May 31st, 1966. Reference a) above contained the equipment list as of October 31st, 1965.

We have received no indication of further contracts from your organisation to utilize the equipment beyond subject Task Order. Accordingly, it is expected that this equipment will be available for shipment or other disposition in accordance with Contracting Officer's instructions at the close of contract efforts on 22 July 1966.

It is recommended that the Contracting Officer or his representative visit [redacted] to inspect the photographic laboratory equipment at an early date. 25X1

Applicable costs for dismantling, packing and shipping the equipment are not included in the present contract price. These costs can be quoted separately by [redacted] or the Government can arrange to remove the equipment if the Contracting Officer so desires. Kindly advise [redacted] of your wishes in this matter. 25X1 25X1

As the maintenance of an "on location" photographic scientific laboratory in an operational status beyond the contract closing date of 22 July 1966 would cause additional costs to the Government, your early consideration and response covering this transition phase on subject Task Order will be appreciated.

Very truly yours,
